a/ Comprising data contained in table 4 of annex II. Footnotes a/ through g/ are included under the appropriate Regional Commission and the line entitled "interregional". Finally, data from INO of $1 296 000 and of $3 864 000 from WIPO, for which no breakdown was provided have been included under "Other agencies".

b/ Comprising data contained in tables 5 - 7 of annex II less the amounts shown for UNFPA in the present table. Expenditure data for WIPO, for which no breakdown by country was available have been included under "Other Agencies". The difference between this column and the column entitled "Funded by extrabudgetary sources other than UNDP, UNFPA and UNDP-administered funds" in table 1 is that the latter includes "self-supporting expenditures", which is shown as a separate column here.

c/ Including expenditures against IPF, SPR, SMF/LDC, SIS, cost-sharing and trust funds established by the Administrator where applicable. Government cash counterpart contribution of $10 million during 1991 is excluded.

d/ The table showing breakdown by agency may be obtained on request from UNDP.
